Hi Kristen – I have requested ITSD turn off the income verification notice on the old system. Unfortunately, I do not know how simple it is to do that in the program code, so I don't have any idea at this point what to expect in terms of time frame.

Hi Emily,

I know this is a long shot, but we realized the old database is requiring income verification for January now and we are still working on getting that information from everyone to enter into the new database. Would it be possible to turn that off in the old database, or is that still a requirement because of when the new contract began?

Thanks,
Kristen
